Application Form to collaborate in the search of Denise

Open letter to everyone who collaborates in the search

I want to thank you for your support and your moral participation in the search of Denise.

I am fighting day after day not just for my daughter, but also to bring hope for justice to all those who see their rights violated – kidnapped or abused by vile and despicable people.

I am now asking for your support as kind-hearted and compassionate people, because this is not just 'Piera's war', but a fight for the right to a serene life for all our children.

All I am asking is that you dedicate a minute of your time to filling in the following form with your data, so I can register you as collaborators to the search.

You can then send it via e-mail, fax or mail to the contacts below.

Your support will be useful to show to all those who want to restrain good initiative, that I am not alone, that I fight for a just cause which is felt and joined by all people.

I wish to say thank you in advance for what we'll be doing together.

Pietra Maggio
